1. BLENDING WHEEL

Hey! Can you already see the pattern? Each of our oils belong to a certain fragrance group. You can figure it out using the table above or by looking at the label on the bottle.

Arrows on the **Blending Wheel** tell you which essential oils work well together.

2. VAPORIZATION SPEED

Top notes: spread fast, evaporate quickly
Middle notes: medium spread & evaporation, give balance and body to synergy
Base notes: spread slowly, stay long

3. STRENGTH OF INITIAL AROMA

- 1 light scent
- 3 medium scent
- 5 strong scent
